What is a ***“Neighbourhood Association”*** ?

- It is a group of civic-minded individuals who care about, and wish to improve, the liveability and quality of life of their unique neighbourhood. Individuals who work together in an organized way to meet neighbours, to exchange ideas, to identify issues and opportunities, to find common solutions, and to represent the voice of the neighbourhood!

The primary goal of the SLNA is to make the neighbourhood a better place to live and raise families:

- to protect and enhance property values
- to advocate improvement of transportation, streets, safety, and public spaces
- to promote public safety and help reduce crime
- to provide a voice and to communicate
- to maintain neighbourhood information
