Earth Day Community Clean-up

On April 22nd, your SLNA sponsored a neighbourhood clean-up. Thank you to residents and the Shannon Lake Elementary for your participation in making our community shine! Special thanks to our sponsors - Save On Foods and Superstore.

Help Needed

Our SLNA needs assistance with their SLNA website. If you have an IT background and could volunteer a couple hours per month, please contact the SLNA Executive at: slna.org@outlook.com.

Petition: 4-way Stop at Shannon Place

Residents near Shannon Lake Elementary are extremely concerned. A 4-way stop would greatly enhance the safety of children walking to and from the school. It would reduce the speed of vehicles and allow for safer merging from Shannon Place onto Shannon Ridge Drive. Please consider signing: www.change.org/p/4-way-stop-signs-at-shannon-ridge-drive-and-shannon-place

Become a member - Join the SLNA today!

Shannon Lake Neighbourhood Association

The SLNA is a city recognized volunteer organization. Join the SLNA and keep in the know about current events, issues, and initiatives in our neighbourhood. The strength of our membership allows our Association to make a difference.

Family Membership: \$10/yr

(Payable to: SLNA)
